FLAXTON PARISH COUNCIL PENSIONS POLICY

Introduction

The Pensions Act 2008 requires all local councils to enrol “eligible jobholders” automatically into a qualifying pension scheme, to offer “non-eligible jobholders” (workers who are not eligible for automatic enrolment) the choice as to whether to opt into a qualifying scheme and “entitled workers” (workers who are entitled to join a non-contributory pension scheme) to request that the employer facilitates a non-contributory scheme.

Flaxton Parish Council are committed to meeting their obligations under the Pensions Act.

Qualifying Rules

The qualification rules depend on the level of an employee’s income from the employer and in 2022/2023 the levels and rules are as follows:

Auto-Enrolment

- An employee is entitled to auto-enrolment into a qualifying scheme if their annual earnings are above £10,000 per annum.

Right to Opt-in

- An employee has the right to opt-in to a pension scheme if their annual earnings are £6,240 to £10,000.

Right to Join

- They have the right to join a pension scheme if their annual earnings are below £6,240.

The latter Right to Join applies to Flaxton Parish Council who currently have one part-time employee, the Parish Clerk.

If an employee exercises their right to join a pension scheme, Flaxton Parish Council must provide a pension scheme for the employee. However, Flaxton Parish Council isn’t obliged to make contributions.
