

YOUR VILLAGE – YOUR HALL – YOUR FUTURE

VILLAGE HALL

PUBLIC MEETING

Thursday 4th September 7.00pm at the Village Hall

Something big is happening – and we need YOU there

We're revealing the exciting proposal for our brand-new village hall – a hall that's built for the future

But here's the catch – without enough local support, it won't happen

At the meeting we'll cover design, costs, fundraising and next steps – and open the floor to your views. This isn't another consultation – it's decision time!

Why should you come?

- Because your voice matters
- Because your neighbours will
- People want a better hall – turn up and help make it happen – we will need your help!

Everyone is welcome – no speeches required – just bring your ears and your opinions

LET'S BUILD SOMETHING TOGETHER
