

Flaxton Social Report May 2026

The principal purpose of Flaxton Social came about because of the village plan process which identified a clear demand for social events. As a result of that, a group of willing volunteers was formed and over the last few years many events have taken place in the village hall. We have put on a wide range of events trying to appeal to all ages and interests such as coffee and cake mornings, bingo nights and the re-establishment of a village show.

Following the presentation in September 2025 highlighting the plan for a new village hall, Flaxton Social have incorporated an element of fundraising into each event. Money has been raised from ticket sales, running bars, holding raffles and donations.

From the village show last year to date we have donated the proceeds of our events totalling £1743.94:

- Village show September 2025 £121.40
- Quiz night and Supper November 2025 £652.75
- Coffee and Cake March 2026 - £318.20
- Bingo night May 2026 - £651.59

We look forward to another year of fun events raising money for our new hall!
